Recognizes Market's Top Leasing and Sales Brokers**

[FORT MYERS – MARCH 18, 2016] Woodyard & Associates, LLC is pleased to announce that Todd Holman has been named a 2015 CoStar Power Broker™ by CoStar Group, Inc. (NASDAQ: CSGP), the leading provider of commercial real estate information, analytics and online marketplaces. This annual industry award recognizes distinguished professionals in commercial real estate brokerage by highlighting the achievements of the firms and individual brokers who closed the highest transaction volumes in commercial property sales or leases in 2015 within their respective markets.

Holman qualified as one of the top commercial brokers in the Industrial market based on the total leasing transactions he closed during the year. In order to be selected for this honor, Holman's overall transaction volumes were evaluated by CoStar against other commercial real estate brokers active in the region, and subsequently ranked among the top brokers in the market. He has received the CoStar Power Broker award every year since 2007.

Holman states, "I'm blessed with great clients and an excellent support team."
